

Web Checkout

Turn every click into a sale
with a simple and seamless
payment experience.

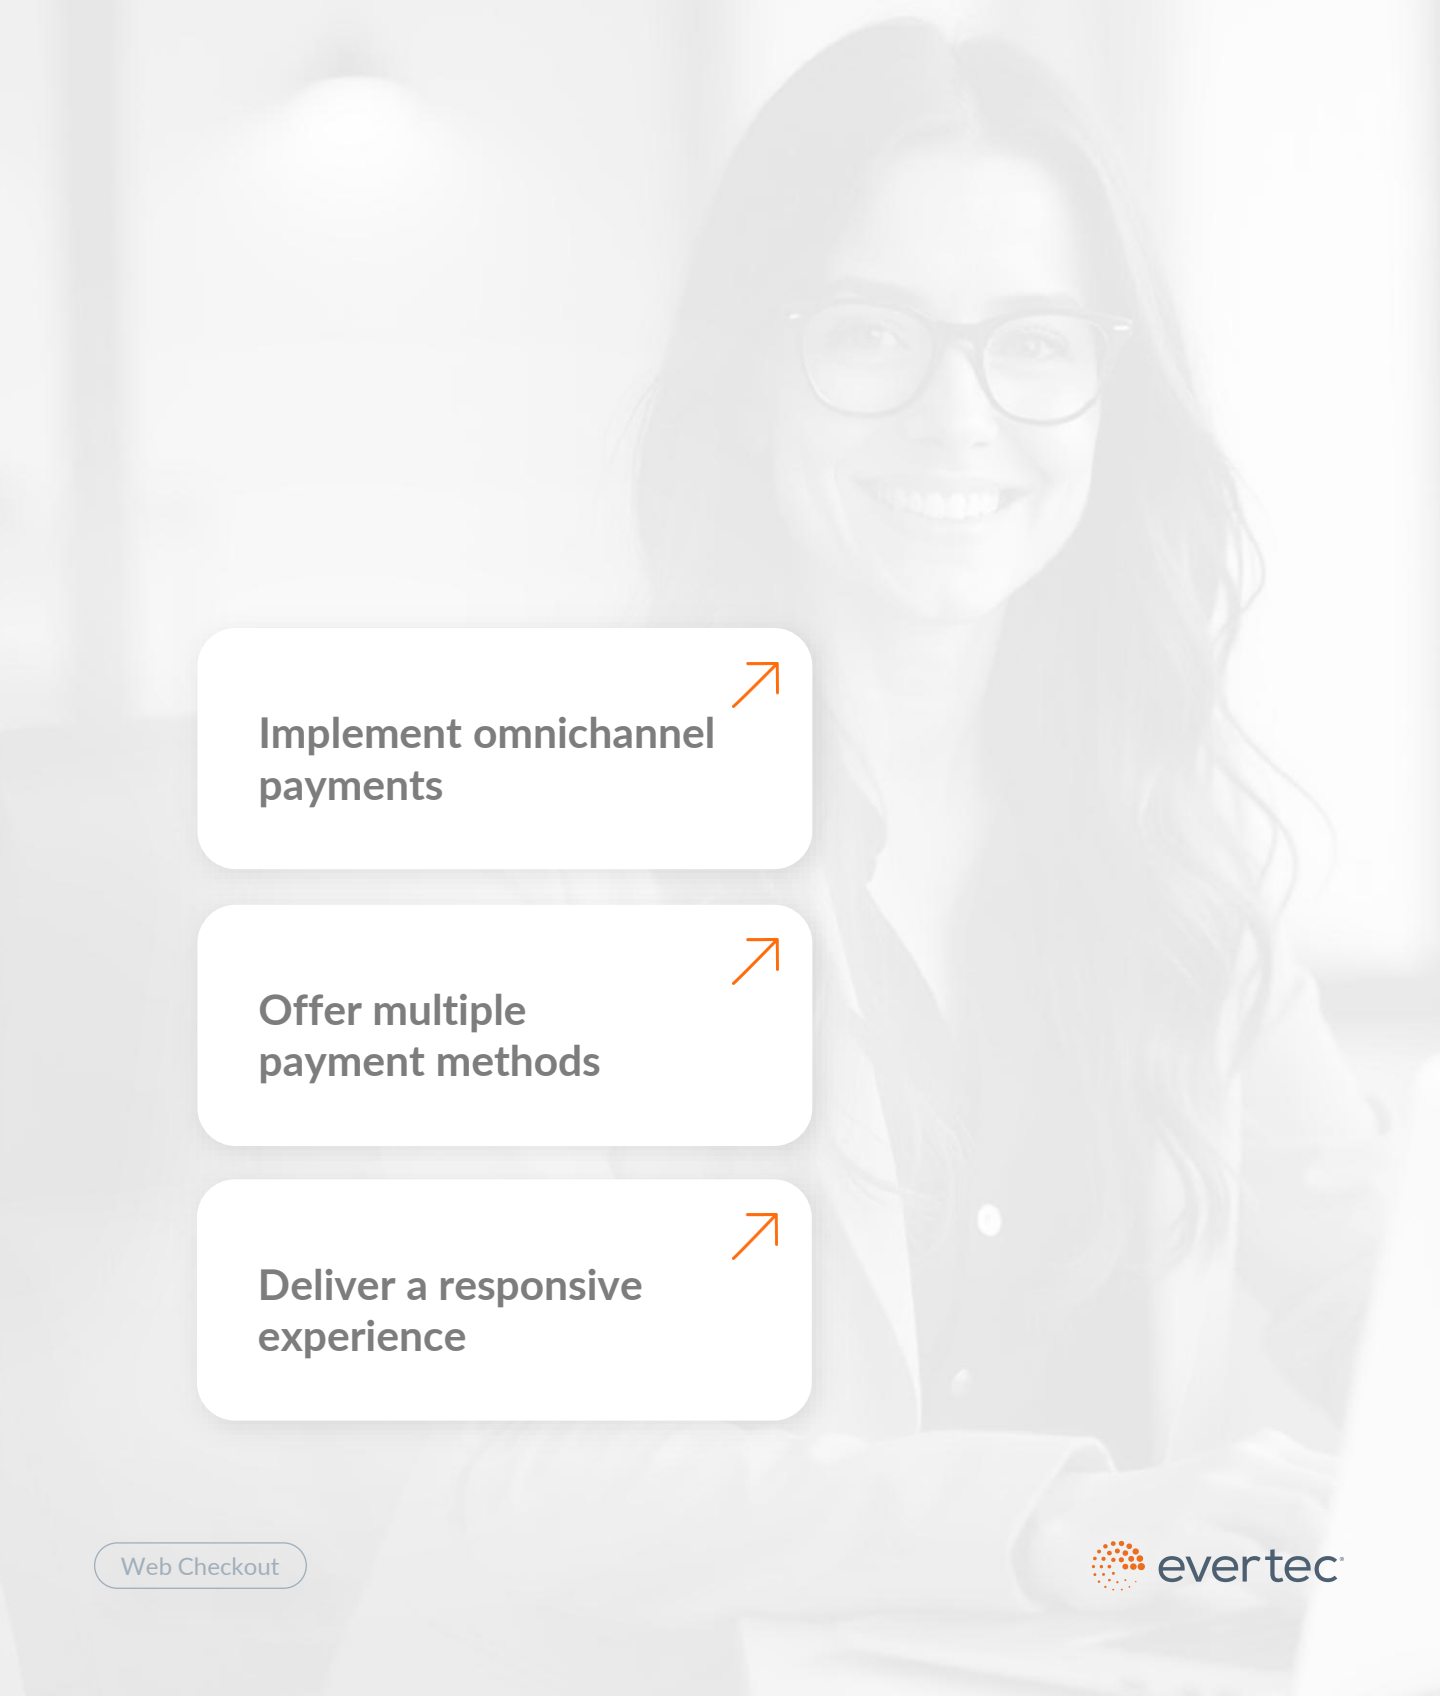

Web Checkout

A solution that enhances your digital channel and transforms it into a sales engine.

Simplify payments with a clear, adaptable, and secure interface for every transaction.

Web Checkout

**Implement omnichannel
payments**

**Offer multiple
payment methods**

**Deliver a responsive
experience**

Web Checkout

A solution that makes a difference

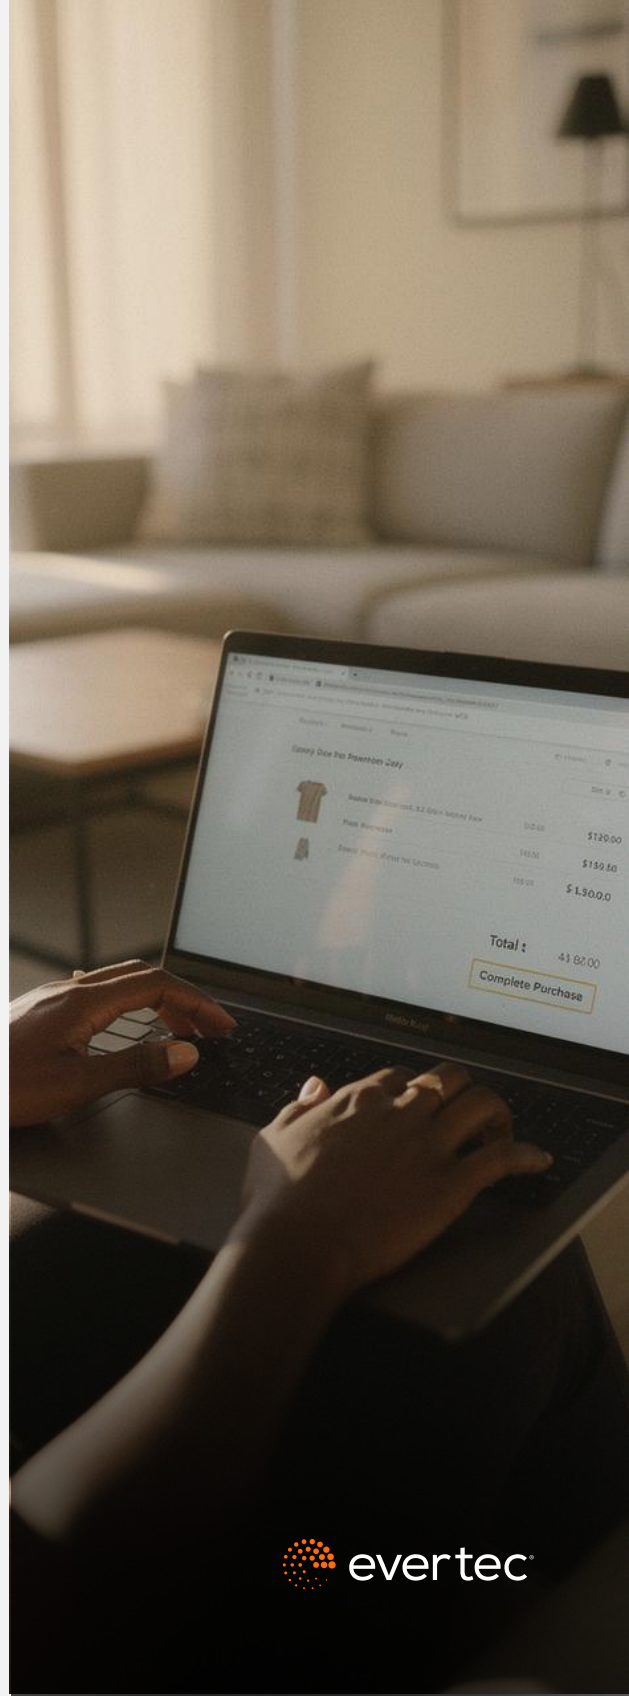

- ✓ **Access multiple payment methods** through a single integration (credit cards, debit cards, digital wallets, cash and more).
- ✓ **Protect every transaction** with authentication and anti-fraud controls.
- ✓ **Enable payments from any device** with 100% responsive design.
- ✓ **Integrate quickly** using available tools and your digital channel.

Web Checkout

Advantages that strengthen your business

- ✓ **Personalize the experience** with your brand and build greater trust.
- ✓ **Manage recurring payments**, refunds, and more from a single solution.
- ✓ **Handle security so merchants** don't have to worry about standards or certifications.
- ✓ **Activate digital sales** without delays.
