

Self-Declarations

Digitize tax management with
electronic signatures and integrated
payments in a single flow.

evertecinc.com

Self-Declarations

A solution that enables taxpayers in Colombia to file their tax obligations electronically and securely, integrating electronic signatures and online payments within a single process.

**Integrates secure
electronic signatures**

Enables online payments

**Maintains immediate
end-to-end traceability.**

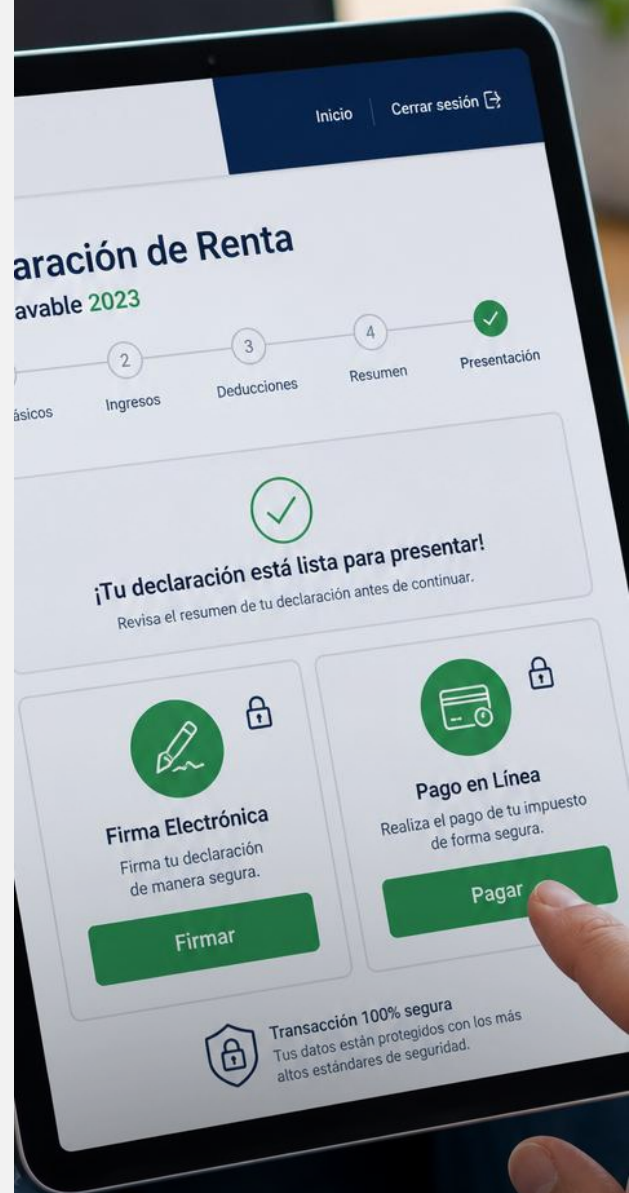

A solution that makes a difference

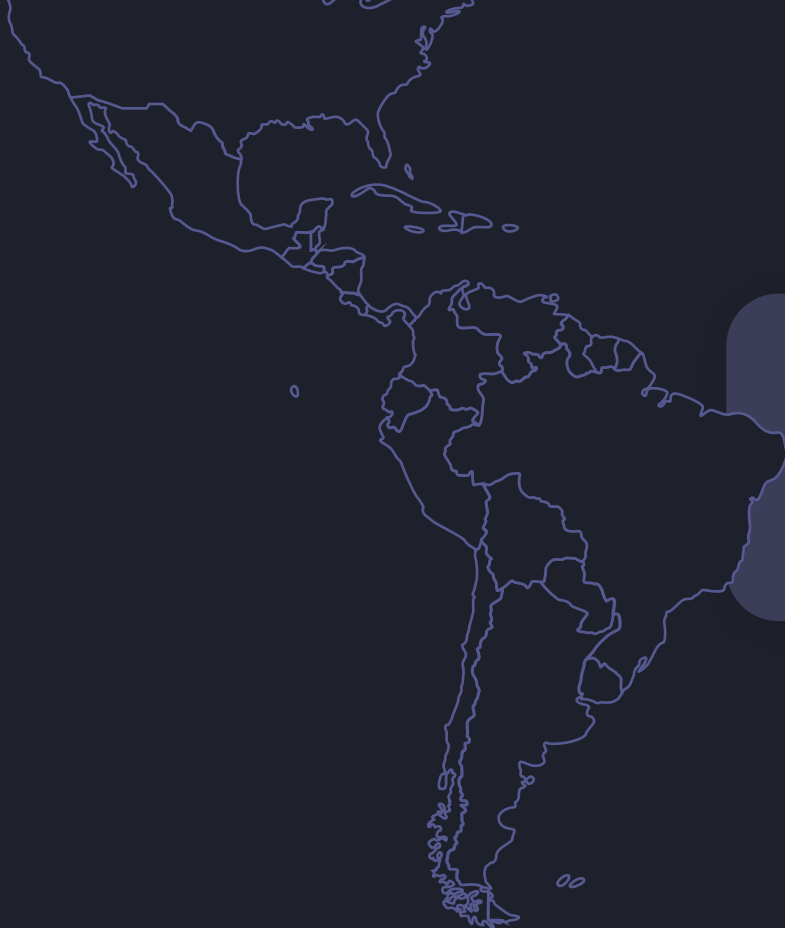

- ✓ **Validates the taxpayer's identity** to reduce impersonation risks.
- ✓ **Ensures that the declaration** cannot be modified after signing, providing full legal validity and non-repudiation.
- ✓ **Links the declaration** to the corresponding payment in real time, reducing operational errors.
- ✓ **PCI-DSS certified platform** for the protection of sensitive and transactional data.

Self-Declarations

Advantages that strengthen your business

- ✓ **Enables government** oversight through real-time information monitoring.
- ✓ **Increases revenue collection** by offering multiple payment options such as PSE and credit cards.
- ✓ **Improves the user experience** by combining signing and payment into a single process.
- ✓ **Maintains detailed access** control for companies, filers, and administrators, ensuring organized management.
